Message from Ada Masciarelli Writer/Director

We are so proud of I Can Dream Theatre Group's 3rd production tonight, "Hannibal the Musical". We continue to be so grateful to everyone including you the audience, who helped to make it happen.

It was a bit of a rough road with this production as we were rehearsing for 2 events this year including our sold out "Unplugged and One Night Only" performance this past April. This left much less time for the cast to rehearse and practise for this evening's show. However, even with so many less weeks of rehearsal time than is usual, this cast is always up for the challenge and showing us yet again how they can achieve and deliver more than what is asked of them. They are remarkable!!

Tonight's production includes 20 cast members with 5 new actors on board. They have adapted to the ever changing schedules for 2 shows, and have rehearsed for a total of less than 6 months to put on tonight's production! I can't convey to you how incredible an accomplishment this is, and I couldn't be prouder of their determination and fortitude!! They continue to inspire faith and belief that anything is possible!

Our shows could not be possible without our amazing production crew and volunteers who devote their time, effort and support into making our productions a success!

To our committee members, a special thank you for your devotion and hard work all year to not only support, but to help raise the bar for I Can Dream and its members.

To my partners Michele Matthews and Tricia Bartley, I treasure you and the work we do together. I wouldn't have it any other way!

And to all of you of you here tonight, please always remember, if you can dream it you can live it!

Thank you so much for coming and enjoy the show!

Ada Masciarelli
